2. National Pan Disability Boccia League 2009/2010

This year four High Peak teams will be playing in the National Pan Disability Boccia League organised by CP Sport. Three teams from the University of Derby Buxton will play in the Derbyshire First Round group and a new team from High Peak Sharks Swimming Club will play in the North West 2 group. Most groups consist of 5 or 6 local teams who all play each other in the first round, the winner of each group going on to the North or South finals. First round matches will be organised over the next two or three months. Watch this space for news of the four teams' progress.

3. High Peak Sharks news

Sharks swimming team have suffered huge disappointment over the last few months as two major events in their competition calendar have been cancelled at Blackpool and Birkenhead. Opportunities for the swimmers to compete in pan disability, unclassified events, are few and far between and the team have been prepared to travel far to find competitions at their level. Sharks team managers and coaches are now working to find other swimming clubs who would be interested in friendly competitions.
