Welcome

This is the second edition of the South Derbyshire's Sports Directory. This edition is packed full of information about all your local sports clubs, and is a great starting point for anyone who wants to find out more or even join their local sports club.

This time we have included the South Derbyshire Disability Sports Directory. This is the first time a directory of this nature has been produced in South Derbyshire. In the directory you will find information about disability sports clubs, activities and other provisions.

HOW THE DIRECTORY WORKS

Each club is categorised by sport, alphabetically. Under each club you will find information on the club's website and key contact (where available).

Clubs achieving Clubmark have demonstrated they are a club open to all, have suitably qualified and CRB checked coaches and are following good practice as set out by their NGB. For more detailed information on Clubmark please visit www.clubmark.org.uk

KEY:

open to all

for adults

for children

child protection policy

affiliated to national governing body

achieved accreditation such as clubmark

inclusive sessions for people with disabilities

disability only sessions

SPORTS GRANT SCHEME

Sports Grants are awarded to South Derbyshire Sports Stars to help with the costs of their training and competing at County level and above.

Grant winners are also awarded a Sports Pass entitling them to free use of the facilities at Green Bank Leisure Centre, Etwall Leisure Centre and a number of selected sports facilities in neighbouring areas.

For further information and grant application forms please email: sports.development@south-derbys.gov.uk

HEALTHIER SOUTH DERBYSHIRE

www.healthiersouthderbyshire.org

Visit the Healthier South Derbyshire website for lots of useful information on:-

Healthy Eating

Stopping Smoking

Physical Activity

Work Based Health

The website also allows you to look for local events, read about projects and activities in your area, or even add your own success story. The site has a searchable database to help you find what's going on in South Derbyshire.

BLEND A VENDER

The Blenda Vender is an excellent way to promote the physical activity and healthy eating message in a fun and informal way. It can often be spotted around the district at community events – so keep your eyes open for it and come and make your own delicious fruit smoothie.

It is also available for hire (with or without facilitators) – contact **Healthy Lifestyle Officer** for further details.

For further information on healthy lifestyles please contact:
